Benefits are offered on an annual basis. If these benefits are changed or eliminated next year and you have not used these benefits, you are no longer eligible for these benefits.

\*Network dentists have agreed to provide services at contracted fees (the in-network fee schedules, or INFS). If a member visits a participating network dentist, the member will not receive a bill for charges more than the negotiated fee schedule (co-insurance payment still applies).

\*\*Non-network dentists have not agreed to provide services at contracted fees. If a member sees an out-of-network dentist, the coinsurance level will apply to the average negotiated in-network fee schedule (INFS) in your area. Members are responsible for the difference between the INFS and dentists' charged fees when visiting an out-of-network dentist.
